

NEW-YORK TRIBUNE.

BROOKLYN ITEMS.

BOARD OF SUPERVISORS.—This body met in the Common Council Chamber, City Hall, yesterday afternoon, Dr. A. J. Berry, President, in the chair.

Supervisor Bergen presented a certificate from the State Superintendent of Common Schools, setting forth that the amount to be raised from the County of Kings, for School purposes, under the provisions of the act passed last April, \$19,429. This amount, it appears by the certificate, the Board of Supervisors are authorized to use on the real and personal estate of the County. Laid on the table until the annual meeting in August.

A communication from A. B. Hodges, Sheriff, was presented, soliciting the appointment of a committee to investigate into the allegations set forth in the recent presentation of the Grand Jury regarding the condition of the County Jail. Referred to a special committee.

The report of the Keeper of the Penitentiary was received, which it appears that the number of prisoners confined on the 15th of May, 1851, at the Penitentiary, is 51. Males 32, females 19; number committed during the past month, 16; of these there are 10 males and 6 females.

The special committee to whom was referred to examine as to certain powers possessed by the Board of Supervisors, report that they have no authority to proceed with the new County Buildings until they receive authority from the Legislature to incur further expense.

The committee recommend the early passage of the bill now pending before the Legislature, giving the Board authority to build the Lunatic Asylum and Penitentiary.

After some further business, of no general interest, however, the Board adjourned to Thursday, June 18, at 2 P.M.
